

2009 Guidelines for Proxy Bidding

The MKA can bid for you at the Sunday auction and mail the fish to you the next day.

Here are the steps for proxy bidding:

1. Mail a shipping box to Mark Hlavaty 817 Magnolia Royal Oak MI 48073
Include a check to cover the most you want to spend plus enough to cover the return shipping.
The check should be made out to the Michigan Killifish Association. Please time to arrive no later than September 23
2. Send me the list of fish you want to bid on and the most you want to pay for each species.
Include your cell phone number so we can talk the day of the auction.
3. The proxy team will bid on your behalf not going over your limit.
4. The fish will be sent the next day. Any excess funds will be mailed later in the week .

Some random thoughts:

- 1 Check the list of fish that are to be available on the MKA website. It will be updated frequently.
You can update your bid list up to 4PM Saturday September 26. Email to mhlavaty2@hotmail.com and make MKA PROXY BID the subject.
2. We can't control the order of the fish being auctioned. We will bid on the fish in the order they are auctioned. If you want more than one pair of a species, please indicate how many pair of each and spending limit for each pair.

Any questions Email mhlavaty2@hotmail.com
