

Featured guest speaker **Mark Hlavaty** from Michigan

Mark is a noted, award winning Killifish Breeder and active member of the American Killifish Association as well as the Michigan and Wisconsin Killifish organizations. He will be presenting a **free** seminar starting at **12:30pm on Saturday Nov.4, 2023** titled:

**“Why Didn’t You Tell Me This Years Ago?
101 Ideas For Killifish And The Fish Room.”**

Mark’s seminar will be geared to new and experienced hobbyists; this nuts & bolts breeding seminar, will be bringing you many of the tips and tricks he has gleaned “stolen” from his many contacts of breeders throughout the United States. In Mark’s video presentation you’ll get hints for feeding, breeding and raising Killies and also your fishroom.

Following the seminar you’ll be given a summary hand-out to take home for reference and there will be ample time for a Question and Answer session.

Join us for this free, informative and entertaining Seminar on Saturday!
